

East Ayrshire Car Club

Environment and Sustainability Policy Statement

East Ayrshire Car Club is a motorsports club based in Scotland which operates Kames Motorsport Complex in Muirkirk, East Ayrshire.

East Ayrshire Car Club is committed to protecting local and global environment as impacted by its activities, events, and actions. East Ayrshire Car Club committee is committed to ensure that protection of the environment is firmly embedded in the culture of the club and the events that we organise.

To minimise environmental impacts and to promote sustainability we will:

- Comply with applicable legal requirements which relate to our environmental aspects.
- Include the consideration of environmental issues in our club/events strategies and initiatives.
- Prevent pollution, reduce waste, and minimise the consumption of resources.
- Consider the wider global impact of all our activities including those of our suppliers and sub-contractors
- Educate, train, and motivate our teams, competitors, officials and volunteers to be environmentally responsible.
- Take action to prevent pollution, protect the ecosystem, biodiversity, management of natural resources, wildlife, and ancient species. Encourage and enhance biodiversity and ecology.
- Implement an energy conservation policy
- Control waste materials and seek opportunities for waste minimisation and recycling
- Control of the use of toxic substances
- Control of human activities to ensure protection of the environment
- Practice responsible resourcing.
- Recognise our commitment to the Motorsport UK Environmental Sustainability Programme

This policy will be communicated to all staff, club members, competitors, officials, marshals, contractors, and suppliers and be available through public media.

Signed

A handwritten signature in black ink that reads 'Russell Fair'. The signature is written in a cursive, flowing style.
