KAMES RALLY TIME TRIAL 2011

Crew & Car info for commentary at Kames

We'd appreciate if you could give us some background info on your crew and car .The commentary is for the benefit of the spectators - they pay to see the " show" and it helps offset running costs and lets us reinvest in Kames. We expect 200 -300 spectators on site at Kames & will be having a running commentary throughout the day while the cars are on-stage , plus interim stage results as they are available.

I normally do the commentary for the Kames Sprints & my knowledge of crews currently rallying is limited , but if you give me some info to work with I'll give it a decent shot . Brian Telfer
