November 15	British Sprint Championship Awards		Lea Marston Hotel, Sutton Coldfield
November	<i>Speed Dance</i>	<i>Guyson Awards</i>	<i>Pitlochry.</i>
November 30	<i>Rally Championship Awards</i>		<i>Glasgow</i>

THESE DATES ARE ALL PROVISIONAL AND SHOULD BE CHECKED AGAINST UP-TO-DATE INFORMATION FROM THE ORGANISING CLUBS

Much of the work undertaken by the Club committee goes unnoticed, such as the two First Aid training courses undertaken in February. These are valuable sessions which result in qualifications essential in letting out the track for hires and Club Nights. Here we see some members going through their paces. Or did they just have a heavy Saturday night.....

Marshals will be needed for the doubleheader Sprints on April 12th/13th and the Kames rally on April 20th. If you can lend a hand, please contact Chaz Marshman on **chaz@eastayrshirecc.co.uk** Tel **07826 789699**

Youngsters in the coming season's Brick & Steel Construction Formula 1000 Rally Championship travelled to Kames for a training session on March 16th. Some travelled from the north of England and beyond Inverness. The day was organised by David Barlow and Ian Gemmell.

NINA BAKER

We regret to inform members that Nina Baker passed away on 18th March at her Aberdeenshire home with husband David at her side. Nina had been suffering from breast cancer for several years and had gained wide respect for the courageous manner in which she fought the disease, even raising funds for her cancer charities. Until just a few months ago she continued to be at sprints and hillclimbs, competing in her Ginetta nicknamed "The Flying Broomstick" when lesser mortals would have been at home resting.

David and Nina moved north from their Essex roots in the eighties, spending a number of years in Linlithgow before moving further north. With David she ran the Speed Dance for the Guyson championships for many years. She was a longstanding member of East Ayrshire Car Club and will be greatly missed here and wherever speed competitors gather.

The EACC Dinner Dance in the Dumfries Arms Hotel, Cumnock on March 8th was another big success with a good turnout of members and friends. Our thanks go out to everyone who helped organise the function and those who contributed prizes. The above photographs of just a few of the prizewinners were taken by Brian Telfer.

CLASSIC CAR SHOW FOR KAMES

A new event on the calendar will be the Kames Classic Car Show on Sunday 3rd August. There will be numerous classes catering for vintage sports & saloons, modern classics, kit cars, competition cars and other interesting vehicles. A sub-committee is being formed to organise this and we hereby invite anyone who would like to help us get the new event off the ground to contact:

Robert Smith, 25 Ballochmyle View, Catrine KA5 6EN Tel 01290 550897. Email: robert@rsmith4.orangehome.co.uk

Hopefully, if we can attract a decent number of people onto the sub-committee, not a lot of time will be required from each. However we require a volunteer to receive entries when these start coming in in a few months time and as that person's name will have to go on the regulations and entry form being prepared at present we need a name urgently. Can you help?

Everyone who attended the Open Weekend at Kames last year will appreciate the potential of such a gathering and it is to be hoped everyone gets behind the project, young and not-so-young. The commitment would only be a meeting once a month to plan site layout, paddocks, car parking, publishing a Programme, judging, and planning a programme of activities during the day.

This could become a major event in our calendar and we, as Club members can try to run the Show mostly on our own, leaving the overworked club directors to concentrate on running their hectic schedule of events. (Just take a look at the calendar on the EACC website—this is one way you can help make a contribution.)
