Since our last issue, there has been the Annual General Meeting which saw only a few changes in officebearers, we have had the first rally time trial of the season, two autotests at Kames ran jointly with Scottish Sporting Car Club, a couple of test days and our Annual Dinner-Dance & Presentation of Awards, all of which can be regarded as successful events. Not bad for what is normally regarded as a quiet time of the year. With better weather in the offing, there should be more activity on track at Muirkirk and members are reminded to keep up to date by looking at the East Ayrshire Car Club website.
