

ALBAR KAMES TROPHY RALLY July 15th

Thanks to the inclusion of the first ever Formula 1000 14-17 year olds, there was a full entry list for the second rally action of the season at Kames.

The event seems to have caught the public's imagination as the car park was busier than we have seen for some time. Spectators were given good value as the rally carried through till late afternoon.

Alan Gardiner led for much of the day before rearing his black Escort Mk1, giving Fifer Ross Fernie the win.

There was another good turnout for the May grass tests in South Ayrshire with three members of the EACC Committee in the entry list.

One of these, Jimmy Stewart set BTD, while another, Honorary President Ian Gemmell won Class 2. David Drummond, however was unplaced.

Class 3 went to Liam Nisbet.

Does anyone have any good photos from any of the grass tests? If so, please contact the Editor.

TREASURE HUNT

There was a good turnout for the Club's annual Treasure Hunt on Saturday 21st July. The route started at Colin Gemmell's Nurseries Direct near Stair and finished at Muirkirk Caravan Park where a social evening ensued.

Earlier in the day the Mitsubishi Lancer Register hired Kames for the fourth round of their Pace Ward MLR Sprint series. This was well supported with many owners travelling from England and apparently asking when they can come back again. FTD was set by Donald McCaskill from Aberdeenshire in his big Colt Galant.

In June the RS Owners Club's annual open day attracted its usual large following.

All 250 copies of the History of East Ayrshire Car Club and Kames Motorsport Complex 1963-1989 have now been sold. The next book on the period 1990-2012 is due to be launched at the Club's 50th birthday re-union on March 2nd in the Dumfries Arms Hotel, Cumnock.
