### **OVERSEAS ACTION FOR EACC MEMBERS**

As part of the Club's Golden Jubilee celebrations a party of members and friends crossed the Firth of Clyde on September 20th for a weekend of motorsport and socialising on the Isle of Arran. It has been more than a decade since the Club ran its last sporting venture on the holiday island and the return attracted a good number of competitors from the seventies, eighties and nineties, one of whom travelled all the way from Northumberland.

The format was similar to that in the Arran heyday, with autotests at an interesting selection of venues on the Saturday and the second day being devoted to some thrilling grass action. Several competitors from the island set the pace both days and one of these, Mark Campbell was the winner of the overall weekend contest.

The friendly atmosphere was again a highlight, with an abnormal degree of generosity in car-sharing which must have brought back recollections of some early escapades of mis-spent youth. Just like the old days, the Saturday night party in the Kinloch Hotel, Blackwaterfoot where the weekend was based was a great success.

But the two days activities were not confined to our older members and it was most heartening to see substantial support from the younger generation who no doubt will have taken home memories of their own which will be retold for years to come.

Saturday's tests were held over three sites with Mark Campbell fastest overall at Ormadale and the Waterworks but losing out to R. Auld at the Fish Farm.

Class 1: David Alexander 327.2, Malcolm Noble 333.8, Alistair Hamilton 358.8, Russell Fair 362.3, Kenny Hamilton 379.0, Dave Clark 475.4, J. McMillan 479.8.

Class 2: Mark Campbell 266.6, S. Rankin 285.5, Sam Henderson 385.9, M. Park 489.6. A. Yates retired.

Class 3: R. Auld 268.0, A. Rankin 274.2, S Paul 288.3.

Class 4: A. Yates 286.2, Jimmy Stewart 308.6, S. Lammie 315.2.

Class 5: Keith Fair 493.2, R. Millar retired.
